RE: Demolition and Scrap Sale Contract

Dear Mr. Barsotelli:

I am writing you with regard to the aforementioned contract between CEMEX de Puerto Rico Inc. (CEMEX) and CANOPI Ecoterra Inc. (CANOPI) and your letter dated June 4, 2007.

Regarding your request to renegotiate the contract and Canopi's failure to perform its contractual obligations by selectively removing material with a higher monetary value; effective immediately, Canopi personnel are prohibited from entering our facilities until such time as the contractual issues are resolved.

We are hereby advising you that counsel for one of your subcontractors, American Waste Management and Recycling LLB (AWMR), which was subcontracted by Canopi (without authorization by Cemex) to carry out the work which was the subject of the aforementioned contract, has notified us of allegations made against you for theft (police report number 2007-3-75582170) and a sexual harassment incident. Therefore, before allowing Canopi personnel to enter our premises, these allegations made by AWMR must also be resolved.

(Signed)
Very truly yours,
Juan Tomas Emmanuelli
